Fee | \$975

CERTIFICATE OVERVIEW

The Certificate in Financial Management is offered as a self paced online course, designed to help you become more effective in managing the financial aspects of your organization. Completing the certificate will give you the knowledge to make better informed financial decisions and plan more effectively for the future. The online *Certificate in Financial Management* consists of three sessions. They must be taken in order and completed within a six month period.

Technical Requirements: *The sessions are compatible with all modern browsers including Firefox, IE 9+, Chrome, Safari and Opera. They are also compatible with browsers of recent mobile devices (IOS and Android). Participants will receive two downloadable eBooks, *Painless Financial Literacy (2015)* and *Budgeting Essentials (2015)*, both written by Debi Peverill.*

REQUIRED COURSES

Financial Literacy

The online lectures will explain financial terms in an easy to understand manner.

Facilitator: Debi Peveril, CPA, CA

Budgeting and Projections

Learn how to prepare a budget, including balance sheets and cash flow statements. Understand how financial statements fit together. Most participants find this session helps them to see financial statements and budgets in a clearer light.

Facilitator: Debi Peveril, CPA, CA

Financial Decision-Making

Participants will learn how to approach a financial decision and determine the best course of action. Techniques include incremental analysis and capital budgeting.

Facilitator: Debi Peveril, CPA, CA

Each session should take 4 – 5 hours to complete.
