

Supplementary Form

MASTER OF SCIENCE IN APPLIED SCIENCE

Name of Applicant:

- Saint Mary's University offers a Master of Science in Applied Science with a co-op option. Applicants are normally required to possess an honours degree in Science or equivalent from a recognized University or College.
- The Master of Science in Applied Science Program is a research-based master's program, and final acceptance into the program requires that a faculty member in an appropriate discipline agree to supervise the student. **All applicants must contact a prospective supervisor before applying to the program.**
Please Note: If no faculty member agrees to be the applicant's supervisor the application will be rejected.

Please provide the following information:

Honours and/or Awards (attach a separate sheet if required):

Publications/Conference Papers (attach separate sheet if required):

Additional documents required:

1. A current CV/resume.
2. Research Proposal: On a separate sheet of paper (with your name at the top), please state your research area, outline your career aspirations, interests, long-range goals and potential supervisor.
3. Transcripts: We will accept uploaded unofficial transcripts for evaluation purposes. Applicants must upload a grading scale with their unofficial transcripts. Successful applicants will be required to submit official final transcripts.
4. Three (3) recommendation forms.
5. Official Proof of English Language Proficiency (if required).

Financial Resources: Do you currently have or have you applied for financial resources to support your graduate studies (i.e. from your own country or from NSERC PGSM or Industrial Post-Graduate Scholarship) or other financial support, which will enable you to complete the M.Sc. program?

Please check and provide details below: **Yes** **No**
